Medical Travel Companions is not a medical retrieval or medical transport service. Our services are to assist and manage pre-existing medical issues for clients who are assessed as "fit to travel" by an external medical officer and to provide advice or assistance in the event of an unforeseen emergency. MTC and the Travel Companion will provide the Services to the extent permitted by law and will not operate outside of their usual scope of practice in their licensed jurisdiction. **This is a non-refundable payment and service.**
