Why Cover-More? Here's a good reason why.

TRAVEL GP TO THE RESCUE

Brielle was on holiday in Hawaii when she started to feel unwell. After speaking to our Medical Assistance team about her options, our nurse suggested using Travel GP, our telemedicine service which would provide Brielle the opportunity to consult an Australian doctor over the phone.

The call with Travel GP was booked and Brielle was on the phone to our doctor within 30 minutes. On the call, our doctor:

spoke to Brielle about her medical background and current medications

got Brielle to check her oxygen levels via an app on her phone

advised dosages of her existing medications

informed her of American medication equivalents

We followed up with Brielle the next day to make sure her condition had improved and touched base when she returned home to Australia.

"The doctors knew the medications that I was on and this really helped; because when I've seen a doctor overseas previously, they spend heaps of time working out the medication you need. The Travel GP team even made sure they called me so that I didn't have to pay for roaming."

Choose the cover that's right for you.

CHOOSE YOUR OWN EXCESS

Choose zero excess through to \$100 and \$250 on international plans*. A lower excess means reduced out-of-pocket expenses if you need to make a claim.

CONSIDER YOUR HEALTH

We include a range of existing medical conditions and some pregnancies in our policy.

For others, you can complete a health assessment in store, online or over the phone. If we approve additional cover based on your assessment, simply pay the extra premium and you're set to go. Read the PDS for full details.

CHOOSE YOUR CANCELLATION COVER

Firstly choose the amount you need to protect the cost of your trip. The amount you choose applies per policy.

Then you can add-on Cancel For Any Reason cover. See the PDS for details.

KNOW WHAT'S COVERED...

It's important to know what's covered and what's not. Please read the PDS carefully before booking your trip and buying your policy.

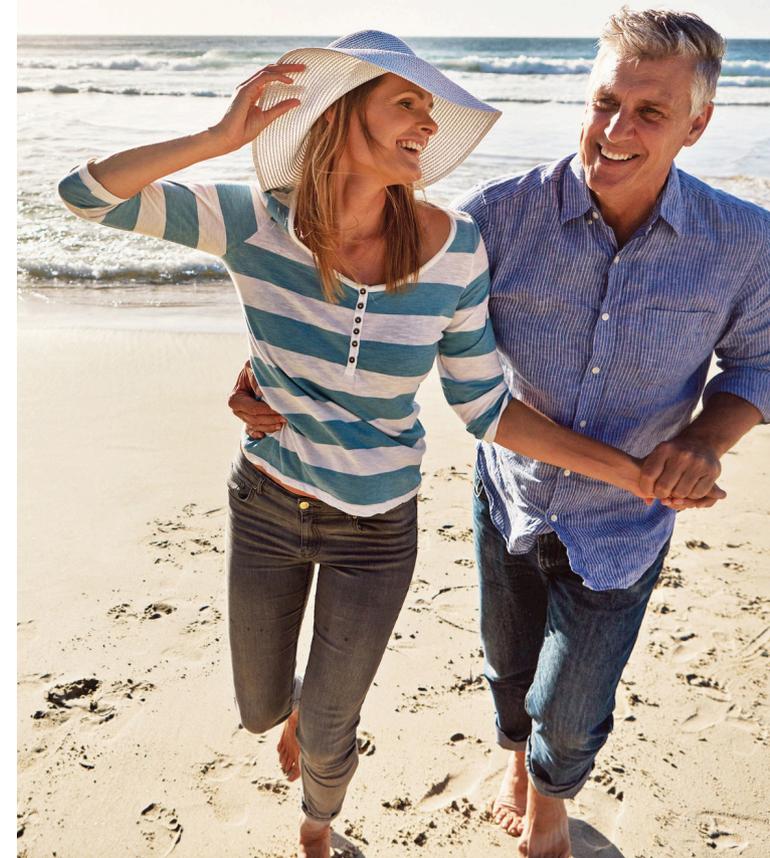

CHOOSE OPTIONAL EXTRAS THAT WORK FOR YOU

Our optional extras let you explore the world in your unique way.

For multi-night cruising you need to add and pay for Cruise Cover.

If you are planning on riding a motorcycle or moped, doing snow sports or adventure activities, extra cover is available for an additional premium.

* Other excess amounts may be available.
