

# RULES FOR LIQUID, AEROSOL AND GEL DEPARTURE SCREENING

**Will you be departing an Australian international gateway airport?**

You are required to have your Duty Free liquid, aerosol and gel products cleared before boarding your flight.

Duty Free products must be cleared

Products 100ml or less must be bagged

All other liquid, aerosol and gel products must be surrendered

**If your Duty Free products are cleared** you will be able to carry them through the screening point and onto your flight.

**If your Duty Free products are NOT cleared** you will be required to surrender them to security screening staff.

# RULES FOR LIQUID, AEROSOL AND GEL DEPARTURE SCREENING

You will need to comply with the requirements for your Duty Free liquid, aerosol and gel products...

Present all Duty Free liquid, aerosol and gel products with proof of purchase and in the sealed bag provided at time of purchase.

All other liquid, aerosol and gel products must be 100ml or less and fit in a transparent, resealable plastic bag. The perimeter of the bag's sealed area must be 80cm or less.

Only one of these bags per person is allowed.

Each bag must be sealed and placed in the tray as directed.

Present any medical or special dietary liquid, aerosol and gel products (e.g. baby food for infants or toddlers) separately.

All other liquid, aerosol and gel products are not permitted.
