new South Wales **THE GREAT ESCAPE**

Whether you like to chase waterfalls or wineries, NSW's road trips offer a journey to suit every holiday mode. From coastal drives to outback detours to cruising by the river — hit the road in NSW for an unforgettable escape.

Hit the road and discover all the incredible things on offer in spectacular NSW. Whether it's a classic drive along the coast, a food and wine trail through the countryside, or an epic Outback adventure, there's a road trip for everyone in NSW.

The million-hectare World Heritage-listed wilderness of the Blue Mountains in Sydney's backyard is the perfect antidote to city living.

Follow the winding roads to where nature is wilder, the stars brighter and ancient escarpments hold the secrets of a living culture with a 40,000-year pedigree. Go slow. Stop often. And don't forget to breathe, filling your lungs with the fresh air.

You could jump on plane and fly to your next destination — but imagine what you might miss along the way. Stopping to taste apples straight from the tree; eating fish and chips on the beach at sunset; buying local wine and fossicking for retro treasures in a country town. For your next great escape, pack up the car for a memorable NSW road trip.
